4 P.D.
Credits**

This New Updated RESPA Rule training session will cover:

- History of the TILA disclosures and brief explanation of the effect of the new regulations on our escrow process
- History of the regulations for the NEW GFE and HUD-1
- Difference between TILA costs and charges and GFE costs and charges as they affect escrow agents
- Detailed explanation of the GFE forms and the HUD-1 Forms
 - What goes where and why
- Turnaround times for shared information (Mortgage Broker/Lender to Escrow) and (Escrow to Mortgage Broker/Lender)
- Expected documentation to be received from Mortgage Brokers and Lenders
- Conversion of Lender information to the Escrow Closing Statement and/or the New HUD-1 forms
- Processing of tolerance corrections both "at closing" and "within 30 days after close of escrow".
