

And

proudly presents.....

What's new with FHA?

How can you help your clients?

LOWER PRICES!

NEW LOCATION!

Nancy West from HUD is our featured speaker for this special meeting. She will be sharing HUD updates that will help you in today's market. Learn the about the products that can help you survive in the market.

- Have you heard about the exciting changes from HUD?
- What is HUD doing to help stabilize the market?
- Does HUD have the tools you need to get ahead of your competition?
- How can you market HUD products to your clients, whether you are a loan officer or real estate agent?
- Learn more about FHA products.

HUD is coming to town to show us how they can help the industry flourish. With all of the changes in the market, HUD is proactively providing answers and tools to help you thrive.
