Help the CEA Membership Committee and You May Win \$150!

One of the goals of the Membership Committee is to develop and adopt a one word identifier or acronym that describes the escrow practitioner. For example, the word REALTOR® brings to mind the real estate professional who is a member of the California Association of REALTORS® and the National Association of REALTORS®. We are looking for the equivalent for the escrow professional. The Membership Committee is offering \$150 to the person who presents us with a word that the Membership Committee and the Board of Directors chooses to adopt. Send in your ideas to CEA HQ by **June 20th**. See the attached flyer for complete details.
