Charles P. Conner Scholarship **A NEW BENEFIT AVAILABLE TO CEA MEMBERS**

The Charles P. Conner Educational Scholarship
Funded by the Mazzie, Simmons, Swink
Memorial Education Fund of 1981

We are proud to announce that the Charles P. Conner Educational Scholarship Fund is accepting applications.

In an effort to honor those escrow professionals in our industry, Albert F. Mazzie, Malcolm Simmons, and Donna Swink, all of which who personified the pursuit of excellence and professionalism, a scholarship and educational research fund was established in 1981. Upon the death of Charles P. Conner in 2004, yet another major contributor to the educational needs of our association, we revitalized the fund and created an avenue for the children of a current CEA member who are attending schools of higher learning to be granted an educational scholarship.

The application can be obtained on the CEA Web site – <http://www.ceaescrow.org/forms/education-award.pdf>. Please submit your application and the necessary documents to CEA Headquarters no later than June 1, 2007. The recipients will be announced in mid-August.

Donations to the fund are appreciated and can be made by Regional Associations, Individual Members or Special Fundraising Events.
