The event will bring high quality education to the lenders, realtors and escrow officers of the high desert. We have an incredible list of speakers lined up for this event. The event is meant to generate revenue to provide additional educational events to help support our programs for those who are involved in the Mortgage and Real Estate industry in the High Desert. This will have a lot of Real Estate Professionals and affiliates attending and an opportunity to promote your product.

Attached you will find the sponsorship information form.

The Symposium committee is working very hard to make sure all participants have a great day and all supporting businesses get as much promotion as possible. We thank you in advance for your participation and support of the Local High Desert NAPMW, WCR and HDEA.
